

AIRAANZ Early Career Researcher Conference Grants

AIRAANZ is pleased to be able to support up to two members who are Early Career Researchers to attend the annual conference. This grant is by application, and is intended to support those who have completed their PhD and are not in permanent paid work, or are in teaching intensive positions that do not support conference participation. This grant will cover the cost of early bird registration, and may contribute towards some travel and accommodation costs.

Applicants should:

- be within three years of confirmation of their PhD (those who have been examined, but not yet graduated may also apply);
- be in non-permanent employment (eg sessional or fixed term contracts); and/or be in a teaching intensive position that does not provide support for conference participation; and
- have been an AIRAANZ member for a minimum of two years.

Preference may be given to applicants who have submitted a refereed paper.

Please send your application by email to:

Michael Walker, AIRAANZ Secretary
Email: airaanz.comms@gmail.com

Applications should reach the Secretary no later than Friday 2 December 2018.

Applications should NOT be sent to the conference organisers.

AIRAANZ Early Career Researcher Conference Grant Application Form
